

How to Play Dots & Boxes

Play with a partner.

- Take turns drawing one horizontal or vertical line between two neighbouring dots.
- Try to complete a box with your line.
- When you complete a box, read the word inside it and write your initial in the box to claim it.
- If you complete a box, you get another turn.
- Keep playing until all the boxes have been completed.
- Count your boxes and tally your results. The player with the most boxes wins!
